

Block Puzzle

How many blocks can you make from the pieces above?

These can be paper blocks or if you want, you can sew them in fabric.

You can make as many copies of the shapes as you want

You can use whatever shapes you want in your block

You can mix and match the shapes

You can use the shapes more than once in a block

You can make the shapes bigger, smaller, or draw your own

Just so you use at least 1 of these shapes in your block.

10 points for each block you bring in

It's like designing your own quilt.
